

Welcome,

We are in the process of re-establishing the Patient Participation Group (PPG) for Penn Manor GP Practice. As a patient of Penn Manor we would like to invite you to one of two sessions taking place in June to find out more about what a PPG is, how you can be involved and how this will help to make changes at your practice.

A PPG is intended to be a route for patients to work together with their GP practice, to advise and inform their practice on what matters most to patients and to help identify solutions to problems. It is also an opportunity to ensure that the views of patients and carers are being fed into the practice regarding services they deliver and any changes or new services that are being considered.

If you are interested in coming to one of the events, please provide the details requested below, either by emailing [rwh-tr.communicationsdept@nhs.net](mailto:rwh-tr.communicationsdept@nhs.net) or using the freepost address:

Freepost RTTJ-UXJU-HCEC, C/O Sally Evans, The Royal Wolverhampton NHS Trust, Hollybush House, Zone C(C27), New Cross Hospital, Wolverhampton, WV10 0QP.

We will only use this information to contact you about the PPG and will keep your details safely.
